

Head Quarters - Virginia Front
Buffalo March 8 1858

Order No 12

1 The Lt Col Commanding embraces the first leisure to express the high gratification he has experienced on witnessing the admirable conduct of the Troops composing that portion of the Command at this point on several recent occasions in enforcing the Laws of the Land and in aid of the Civil authorities

2^d The conduct of the Battalion of Volunteers of Major Joyons Command composed of the Companies of Col^lpp. Tathill Thariner & Case and the Company of Artillery under Capt Robb was precisely what was expected from a proud high minded citizen Soldiering as well acquainted with the Law as with the manner of enforcing respect for it. The discipline exhibited by these Companies reflects the highest credit upon their Commanders

3^d The detachment of regulars subjected to fatigue and privations
